Divide A (your gross income) by B (income eligibility guideline from chart) and multiply C (the difference) by 100 to get D (your percentage).

If your percentage falls between . . .

25-49% 75% off

50-74% 50% off

76-100% 25% off

If your income is higher than the given income eligibility guideline, you do not qualify for financial assistance through our program. You may still complete Pages 4 and 5 of this application so we may seek additional outside aid on your behalf.
